

# Grace Kelly - Mika

## Intro

| G                    | G                    | G                    | G                    |

## Verse 1

G                                    | G                    /                    D                    /                    |

Do I attract you? Do I repulse you with my queasy smile?

G                                    | G                    /                    D                    /                    |

Am I too dirty? Am I too flirty? Do I like what you like?

G                                    | G                    /                    D                    /                    |

I could be wholesome, I could be loathsome, guess I'm a little bit shy

G                                    | G                    |                                    |

Why don't you like me, why don't you like me, without making me try?

## Pre chorus

G                                    | Dm                    | Am7                    |                                    | D                    |

I tried to be like Grace Kelly, mmm                    But all her looks were too sad, ahhh

G                                    | Dm                    | Am7                    |                                    | D                    |

So I tried a little Freddie, mmm                    I've gone identity maaaaaad

## Chorus

G                                    | G                    |

I could be brown, I could be blue, I could be violet

C                                    | D                    |

sky, I could be hurtful, I could be purple, I could be anything you like

G                                    | G                    |

Gotta be green, gotta be mean, gotta be everything

C                                    | D                    |

more, Why don't you like, why don't you like me, why don't you walk out the door!

Verse 2

G | G |

How can I help it, how can I help it, how can I help what you think?

C | D |

Hello my baby, hello my baby putting my life on the brink

G | G |

Why don't you like me, why don't you like me, why don't you like yourself?

C | D |

Should I bend over, should I look older, just to be put on your shelf?

Pre chorus

Chorus

Bridge

C | Cm7 | G | G |

Say what you want to satisfy yourself

C | Cm7 / F / | G / D / | Em / D / |

But you only want what every body else says you should

A7 | A7 | D | D |

want You want
